# PRODUCT DATA SHEET

<b>Item Number</b>	: TLS121
<b>Item Name</b>	: PIG® Leak Diverter Bucket Kit for Roofs
<b>Contents/Package</b>	: 1 Drainage hose, 4 adjustable hanging straps, 1 Bucket, 1 Drain fitting
<b>Colour</b>	: Transparent
<b>Dimensions</b>	: 152 cm x 152 cm
<b>Composition</b>	: Diverter - PVC, Polyester; Hose - PVC; Straps - Nylon; Bucket - Plastic

## Description

- Portable Kit contains all the basics you need to rapidly respond to an overhead leak or drip, all in a compact, easily stored 24.6L pail
- Pail lid has a removable plug to allow the drainage hose to be inserted without having to remove the lid
- Nonpermeable tarp is vinyl coated for strength and durability; resists punctures, UV and mildew for long life
- Translucent material lets light pass through; hang grommetted tarp from ceiling using included rubber straps
- Hose safely channels liquid from tarp to floor drain or collection container; clear material is inconspicuous and allows you to monitor flow; flow rate of 12.6 litres/minute when used with a 1.2cm ID hose
- Pail can be used as a collection container for diverted liquid; printed with "Caution" message, so it doubles as a warning sign to alert people to possible slipping hazards

<b>Warnings &amp; Restrictions</b>	: Not suitable for temperatures over 77°C. Nominal Dimensions: Dimensions are nominal size due to pinched corners and reinforced side walls.
